TAARIFA NEWSLETTER

Dear Fellow Rotarians,

The third quarter has been a season of purposeful engagement for the Rotary Club of Muthaiga, guided by the themes of Vocational Service, Peacebuilding & Conflict Prevention and Water, Sanitation & Hygiene. Members participated in enriching fellowships, impactful discussions, mentorship activities, leadership learning, and community projects that strengthened both fellowship and service.

From professional growth and peacebuilding dialogues to hands-on project work, the quarter reflected our shared commitment to service above self and meaningful community impact.

President W. Njoki Riguga K.

JANUARY

January was a vibrant month for the Rotary Club of Muthaiga, marked by engaging weekly fellowships on re-energizing after the holidays, public finance, and member discussions that led to the reformation of three new buddy groups (interest based).

Members also participated in a Joint Fellowship Game Night and inductions with the Rotaract Club of Muthaiga, celebrated Paul Harris Fellows and a Major Donor, represented the Club at various Rotary forums, and successfully handed over the Nderi Refurbished Computer Lab and Library Global Grant Project undertaken in partnership with Rotary Club of Uelzen, Germany.

As we close this quarter's edition, we take a moment to appreciate the spirit of fellowship, service, giving and impact that continues to define the Rotary Club of Muthaiga.

The past months have been filled with meaningful engagements, thoughtful discussions, and hands-on service that have strengthened our bonds as members while advancing our commitment to community transformation. From fellowships and mentorship to leadership development and project work, every effort has contributed to building stronger connections and creating lasting change.

We extend our sincere gratitude to all members, partners, guests and friends of the Club whose time, energy, and dedication make our impact possible. Your commitment to Service Above Self continues to inspire progress in everything we do.

As we look ahead to the next quarter, may we carry forward this momentum with renewed purpose, deeper collaboration, and a shared resolve to continue making a positive difference in our and the lives of those we serve.
